Why you need to be tested for cancer

Test for Breast Cancer

Breast Screening

For women who are between 50 and 74.

In Victoria you can get a test to see if you have breast cancer.

It is free.

You should do the test every 2 years.

Book through BreastScreen Victoria.

Call 13 20 50 or visit breastscreen.org.au

Talk to your doctor or someone you trust about cancer screening.

Cancer Screening can save lives.
