The Competition is designed to showcase the voices of people with intellectual disability and recognises the lifetime contribution of Dulcie Stone to services for people with intellectual disability and writing.

The Awards Ceremony will be held at The Wheeler Centre in Melbourne. Winners will be announced at The Awards Ceremony and all entrants will be invited to attend.

Dulcie Stone has won acclaim as an Author, Educator and Campaigner for people with Intellectual Disabilities. Born in Melbourne in 1924, Dulcie has worked as the Director of the WJ Christie Centre in Mildura; taught adult literacy classes; co-ordinated a range of Volunteer Services; and served on numerous boards and committees across Victoria. Dulcie was awarded an MBE in 1981 for services to people with disability and has published over 30 books, both fiction and non-fiction.

VALID is committed to the vision of an Australian nation in which people with a disability are empowered to exercise their rights as human beings and citizens in accordance with the United Nations Convention on the Rights of Persons with Disabilities. VALID strives to realise its vision by providing a range of advocacy and information programs that work to empower people with disabilities to become the leaders in their own lives. VALID is excited to be working with Writers Victoria to help progress this vision through the Dulcie Stone Writers Competition.

Writers Victoria is all about writing. With nearly 3,500 members throughout Victoria (and beyond), we are the state's largest organisation supporting Victorian writers. Writers Victoria has a history of supporting writers who face barriers to participation and in the development of their skills, practice and writing careers, in particular through our flagship Writeability program for writers with disability that was highly commended at the 2016 Victorian Disability Awards.

The Writeability program began as a partnership with Arts Access Victoria in 2012. The Writeability ethos has been built around the importance of self-told stories, disability-leadership and peer support, and the creating of opportunities for even the quietest voices to be heard.
