Aims of the Having a Say Conference

The Having a Say Conference aims to empower people with disability through:

- The opportunity to 'have a say' about issues that affect their lives
- Participation in an annual conference in a rural location of Victoria
- Opportunities to celebrate ability and achievement
- Being part of the planning and running of the conference
- Opportunities to be heard by politicians, government and service providers
- The opportunity to meet people from around Victoria, Australia and overseas
- Support to be part of developing strategies to address issues and recommendations made at the conference

Geelong

Geelong is a popular tourist destination, with beautiful beaches and the Great Ocean Road on its doorstep.

There are many great attractions around Geelong that make lovely afternoon or day trips.

If your group is coming up early or staying on after the Conference, you can get information about accessible tourist activities from the Tourism Greater Geelong & Bellarine Visitor Information Centre
on 1800 620 888 or website: www.visitgeelongbellarine.com.au

About Having a Say

VALID is a not for profit organisation run by people with disabilities and family members.

VALID is funded by the State Government to provide advocacy support to adults who have an intellectual disability, but also undertakes other activities to empower people with disabilities, such as self-advocacy training and the Having a Say Conference.

The Having a Say Conference helps people to find their voice, to speak up, to be heard and to be respected.

This is the conference where people listen to each other, not just to the speakers on stage. This is the conference where people respect each other's views and opinions, and celebrate their common cause.

The conference gets fantastic support from local disability services, the Local Reference Committee, City of Greater Geelong, Tourism Greater Geelong and Bellarine and local Geelong businesses.

The first Having a Say Conference was held in Maryborough in the year 2000. There were almost 190 people involved in the conference and the enthusiasm generated inspired those involved to do it again the next year. Since then the conference has grown each year, with over 1000 participants being involved in the 2020 conference.

People enjoy coming to the conference for a range of reasons. Some are keen advocates for people with disability and want to debate about issues, others find the whole environment empowering and some just want to have fun!

Many people come to the conference to have a say, such as open microphone to present or perform. We often get comments on the Evaluation Forms saying things like *"It was great I felt important because everyone listened to what I said"*.

The Having a Say Conference has been around for long time, because there is nothing else like it in Australia! As services change we need to get together to lobby about issues - until the 'system' is perfect out there!!! Apart from that there will always be a need for people to get together to share experiences and to celebrate our achievements. People also tell us that they want to keep getting together with other people from across Australia and now from overseas to network and learn different ways of doing things.

Conference Theme:

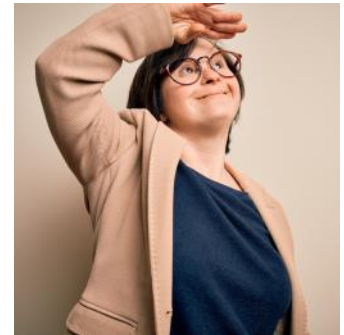

The Future is Ours!

The Having a Say Conference is back in 2024!

The disability community has had some hard times over the last few years – but we have come together to make positive change.

People with disability have shared a lot about their experiences this year. The Disability Royal Commission (DRC) and the NDIS Review have been listening. We now look forward to their ideas to make things better.

Come and join us for the Having a Say Conference 'The Future is Ours'! It's going to be a wild ride!

Welcome from the Local Reference Committee

This will be the twenty third annual Having a Say Conference and the sixteenth one held in Geelong.

The workshops, presentations, performances, dreams and aspirations and the Come & Try activities provide fun and interactive ways to put the theme of the conference into practice. The Having a Say's Got Talent auditions and the Dinner Disco are both fun and a great place to let your hair down, and celebrate the conference.

The Local Reference Committee would like to invite you to attend the Having a Say Conference and join in the celebrations and look forward to seeing you in Geelong, in 2024.

Conference Venue

Deakin University's Waterfront Campus in Geelong will be the main venue and is a great place to hold the conference.

Deakin University is located on Gheringhap Street and situated right in the heart of Geelong, with beautiful views of Corio Bay and the You Yangs. Deakin University's Waterfront Campus offers a welcoming and accessible venue for delegates to get together and have a say!

Parking is usually available in the Deakin Uni car park but due to building works this may not be available. Parking at a reasonable cost (\$14.75 per day - as of Aug. 2023) available on street and in Council Carpark across from Deakin Uni - see map. More info via this link to [council website](#)

The VALID & Inclusion Australia Streams

The Having a Say conference is not just about self advocacy, it is also about current advocacy issues and building skills for people to be effective representatives for other people.

The VALID and Inclusion Australia Streams will bring together families, advocates, workers and other interested people who share the VALID Advocacy Mission.

There are a number of presentations at the conference with a focus on providing information to families / carers and workers in the disability sector.

Conference Dinner

Dinner Disco (*The Pier*)

The dinner disco will be held from 6.45 - 10.30pm at 'The Pier Geelong', located on Cunningham Pier with views of the bay, You Yangs and city lights. The conference Dinner Disco gives people the chance to let their hair down and enjoy a night filled with fun, good food and dancing!

The dress theme for the Dinner Disco is to be decided, so watch our [HaS Facebook](#) site for news of this.

The band 'Un-Limited' will be playing party anthems by the truckload including rock n' roll, funky hits and rarities of the 80's.

Thanks to our Disco sponsor Victorian Disability Worker Commission!

Dinner and Chat (*Wah Wah Gee Restaurant*)

As an alternative to the action packed Dinner Disco, a dinner and chat will be held in the Wah Wah Gee Restaurant. A Guest Speaker will speak at the Dinner and Chat. You can also let your hair down and join in the fun in the Disco as it is just across the foyer.

Important things to remember:

- The Dinner Disco is a very popular event which usually sells out quickly. To make sure that you don't miss out register early!
- Make sure you choose the right 'ticket' for the dinner you would prefer to attend when you register. (Dinner Disco or Dinner & Chat)
- Drinks are not included in the registration fee, but are available at bar prices

For how to get to The Pier see the map on page 18, there is also a map included in the Conference Program Booklet in your registration bag.

Parking

Parking on the pier has changed 'owners' and currently (Aug. 2023) it is free after 5pm, so you will need to check when you park, but otherwise there is free parking available along Western Beach Road.

You are also able drop to people off at the front of the venue (The Pier Geelong) and then park your vehicle. *See map on page 18*

Volunteering

The Having a Say Conference needs your help. We are looking for volunteers to assist us with a variety of tasks. There is something to suit everyone's interests. You can volunteer for a day or the whole conference, it's a lot of fun and you will meet a great group of people.

What is the conference about? It provides opportunities for people with disabilities to experience new things, to participate, learn, present, perform and celebrate achievement. Being part of this conference is a wonderful experience for all involved.

It's Australia's largest conference for people with disabilities, so why not volunteer?

- *It's fun*
- *It's unique*
- *It's inspirational*

All volunteers receive morning and afternoon tea and lunch. People volunteering for all 2 days of the conference have the opportunity to attend the dinner disco at a discounted rate, providing there are places available.

Volunteers will also receive a complementary souvenir t-shirt.

For more information about volunteering at the Having a Say Conference look at the Volunteers Info booklet or phone 0475 698 884 or email: havingasay@valid.org.au

Feedback from volunteers:

"Sharing this time with both staff from VALID and the participants was a fantastic education and it has only reinforced to me that all people can contribute greatly including people with a disability!"

"Being a volunteer was a great way to be fully involved with the Conference and it gave me an opportunity to share a lot of great experiences."

"My volunteer experience for the Having a Say Conference was not only rewarding but gave me a much better understanding of people who have an intellectual and/or physical disability."
