

Helping you to support your family

Online workshops for families

Our online workshops are designed to help guide you in achieving the most out of life for your family member. These are practical workshops delivered by trainers with life experience in managing NDIS plans for family members. You can choose to participate in one or more workshops, depending on your needs.

- Understanding your NDIS Plan
- Preparing for 're-assessment' - tips for developing a clear case for what you want in your NDIS plan
- Planning - developing a Person-Centred Plan
- Choosing the right NDIS funds management option for your situation
- Understanding the NDIS funding - the Price Guide; flexibility; budgeting etc.
- How to 'self-manage' your NDIS package
- Developing a 'Circle of Support' to support and connect to community

A fee of \$100 applies to each workshop, this can be funded via your/family member's NDIS plan. If you need assistance with NDIS claim please contact Chris Email: christine@valid.org.au Phone below.
