

Making the most of your NDIS funding

Online course for families

Do you know your rights with service providers and with the NDIA? Are you prepared for your next plan review? This online course will help you feel in control of your NDIS plan and make the most of your funding. The course is delivered by trainers with life experience in managing NDIS plans for family members.

Course structure

This online course is delivered via Zoom (in person can be negotiated) over four sessions, with both day and night sessions available (daytime - 9:45am to 1pm, night sessions - 5:45pm to 9pm).

Session one	How the NDIS processes work, including recent changes
Session two	Getting effective support from your NDIS package
Session three	Developing a plan for the future
Session four	How to manage plan supports and funding

Course dates and costs

The cost for an online group is \$520 +GST (13 hrs x \$40) per person, which can be funded via your family member's NDIS plan (Item numbers provided on invoice). This cost includes workbook.
