Registering for the Our Choice Exhibitor

28th and 29th January 2025

HaS conference, Deakin University, Waterfront Campus, Geelong

People with disabilities participate in all aspects of the conference, from planning to volunteering. In 2024 there were over 100 presenters with disability sharing their stories, experiences and inspiring their peers. The 2025 theme is 'Our Lives, Our Voices!'.

Most of the Program is focused on providing opportunities for people with disabilities to present, talk about issues they care about, celebrate their achievements, perform, volunteer and gain information on their choices, rights and responsibilities.
