

***Empowering
People
to Speak Up***

About VALID Connect:

VALID Connect provides a range of essential services, including training, consultations and the development of Easy Read materials.

We are committed to delivering services that are tailored to your needs.

We focus on quality, timeliness and ethical practice.

Five great things about VALID Connect:

1. **Expertise and Experience** - Our team has decades of experience in the disability sector.
2. **Unmatched Insights** - We consult with people with disabilities to make sure their voices are heard and their lived experience is valued.
3. **Not-for-Profit Integrity** - Every dollar generated is used to support VALID's critical disability advocacy programs.
4. **Fair and Reasonable Pricing** - Designed to be fair and affordable, our work provides excellent value for our customers.
5. **Strong Values** - Respect - Collaboration - Courage - Humility - Passion - Dedication - Integrity. We're committed to doing the right thing, every time, and to ensuring our work reflects these guiding principles.

Training

Keys to Success

This interactive empowerment training supports people with disability to speak up and have a say in their life.

“It helped me to be more confident to speak up for myself.”

“I was very happy with what we learned using our own books.”

“It was good fun. I enjoyed it.”

Staying Safe workshop

A workshop with videos, stories and examples of how to prevent different types of abuse and what you can do if you are feeling unsafe.

Staff Training

Designed to inform and train staff on how to build the empowerment skills of people who are learning to lead their own lives, so they can have a strong and confident voice.

VALID Connect works in partnership with services across Victoria to support people who are wanting to exercise their rights and responsibilities.

Easy Read - Conversions and Training

Converting documents to Easy Read

Making information more accessible.

Training

VALID Connect provides training on how to create documents in an Easy Read format.

Consultations

We consult with people with disability and families to ensure their voices are heard and their expertise is shared with organisations and governments.
